

**Studi Perancangan kota–
Lecture week 2:
Struktur kota dan keanekaragaman
penggunaannya**

Eka Permanasari

ON CONCENTRATION

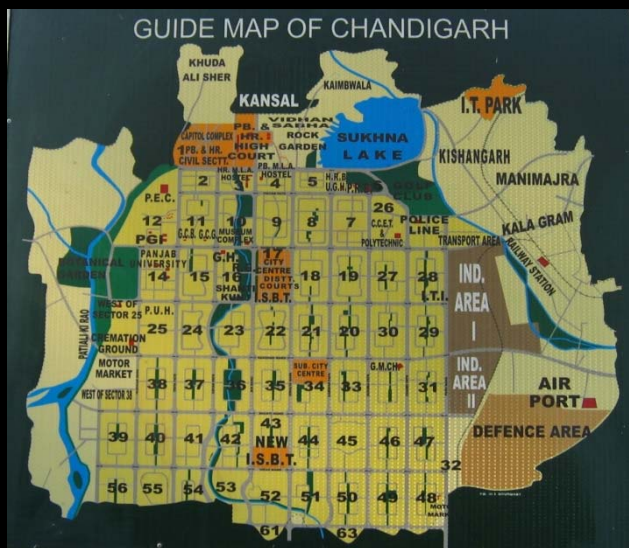

- Why do we need concentration?
- Why does a city need a place for concentration?
- How building densities related to concentration?
- What are the eyes of the street? Where can we get them?

HIGH-DENSITY HIGH RISE HOUSING IN MONGKOK, HONGKONG

CITY IS NOT A TREE

- Tree like: Artificial
- Not a treelike: Semi lattice, natural, follows patterns of thoughts.

VS

LIFE BETWEEN BUILDINGS
