

Laser Cut

**1st Floor Plan**  
**Working Drawing**

### Product Details

**Item Name:** Baisheng small 60 watt co2 tube laser cutting machine

**Other Name:**

**Appearance:**

**CAS NO.:**

**Type:** GENERAL

**Control Software:** AutoCAD,CorelDRAW

**Applicable Material:** Acrylic, Crystal, Glass, Leather, MDF, Paper, plastic, Plexiglas, Plywood, Rubber, Wood

**Laser Type:** CO2

**Graphic Format Supported:** BMP, DWG, DXF, PLT

**Cutting Area:** 600\*400mm

**After-sales Service Provided:** Engineers available to service machinery overseas

**Packaging Details:** Durable ply wooden packing

**Port:** Guangzhou

**Name:** co2 Laser Cutting Machine

**Function:** Non-metal Materials

**CNC or Not:** Yes

**Laser power:** 35W/60w/80w

**Condition:** New

**Place of Origin:** Guangdong, China (Mainland)

**Laser tube:** CO2 Laser Tube

**Keyword:** Co2 Laser Cutting Machine

**Color:** Red

**Model Number:** AS-6040

**Cutting Speed:** 0-64000mm/min

**Certification:** CE, ISO

**Brand Name:** Baisheng

**Product name:** CO2 Laser Engraving Cutting Machine

**Cutting Thickness:** 0-8mm

**Cooling Mode:** Water Cooling

**Application:** Laser Cutting
