Urban Development Individual Speech

Common problems and challenges for Jakarta (and/or Jabodetabek) citizens.

Urban Development

Group Discussion

Jakarta's Issues:

1. What are the major problems in Jakarta?
 - Long term problems
 - Recent problems
2. Pick one of the problems in point #1.
3. What have the government and/or citizens done to minimize the problem?
4. Offer a new practical idea that can minimize that problem.

Urban Development

Weekly Response

If you had a foreign friend coming to Jakarta for the first time, where would you take him / her?
