PENELITIAN KUALITATIF

Pertemuan 10 : Menyusun Laporan Penelitian Kualitatif

Kembali lagi
bersama saya,
Anggi.

Let's Start !

Ingat, yang lalu jangan
dilupakan....

#kalau mantan silahkan

Flashback

“

- Definisi penelitian kualitatif
- Filosofi yang melatarbelakangi penelitian kualitatif
- Desain penelitian kualitatif
- 5 Pendekatan Kualitatif (pengantar)
- Perbedaan 5 Pendekatan Kualitatif
- Focusing The Study
- Pengumpulan data kualitatif

”

Pelaporan Data Kualitatif

- Qualitative Research Report:
- a Propose Outline

Pelaporan Data Kualitatif

- The outline for the research proposal and the research reports are essentially identical for the first three chapters.
- The following outline is provided as a sample that may be modified by the research committee or the funding committee based upon demonstrated need of the research project.

Pelaporan Data Kualitatif

- *Abstract*
- *Chapter 1: Introduction*
- *Chapter 2: Review of the Literature*
- *Chapter 3: Methodological Perspective & Research Design*
- *Chapter 4: Research Findings*
- *Chapter 5: Conclusions*

Abstract

- Abstract
- Chapter 1: Introduction
- Central theme/Background
- Statement of the problem
- Purpose of the study
- Need for the study/project
- Research questions
- Objectives of the research
- Definition of terms

Chapter 2: Review of the Literature

- Introduction
- Theoretical framework(s) underlying the research purpose
- Thorough review of relevant empirical studies and/or qualitative research
- Summary

Chapter 3: Methodological Perspective & Research Design

- Qualitative Paradigm
- Research Design
- Participants, Their Characteristics and Sampling Procedures
- Role of Researcher
- Information Collection Methods or Procedures
- Information Analysis and Interpretation
- Soundness of the Research or Trustworthiness
- Ethical Considerations
- Timeline
- Budget

Chapter 4: Research Findings

- Data analysis and results (organized according to the research question(s))
- Findings or interpretation of results and Discussions

Chapter 5: Conclusions

- General Conclusions
- Limitations
- Implications

References & Appendixes
